Summer Camp Fun!

This year's Camp will offer many exciting and educational experiences. Come join us as we enjoy a variety of fun-filled field trips, lively animal-related presentations and interactive educational materials.

Field Trips & Fun Adventures:

- Brookfield Zoo: be a Jr. Keeper
- Fullersburg Woods: Bugs!
- Green Valley Sled Dogs
- Pet Care, Training and Games
- Tour an Animal Hospital

Come to the Brookfield Zoo and help them care for some of the animals in the Children's Zoo as we work with a keeper. Find out how your veterinarian takes care of our sickest furry friends. You will have a chance to see an operating room and see the crazy things dogs swallow!

Enjoy a presentation about sled dogs and take a ride on their sled with wheels! Experience bugs close up and personal at a program designed just for us at Fullersburg Woods.

In addition, we will play games, get to know each other and learn about taking care of our pets!

Campers & Camp Counselors

Campers should fall within the grade range of "going into" 4th through 6th grades.

For all field trips, we try to have a minimum of one camp counselor for every five campers, in addition to our Humane Educator. Most of the counselors are high school or college students. If you know of a responsible high school junior or senior who would like to earn service hours, we welcome them to volunteer for us!

How to Sign Up:

Fill out the attached registration form and mail or walk it in to the Humane Society. Your application cannot be processed without payment. Registration is limited to the first 20 campers per session. If you have any questions or concerns, please contact: Mary Grayson, Director of Humane Education at (630) 323-5630, ext.7 or at humane.ed@hinsdalehumanesociety.org.

Please send your child to camp with a water bottle and any snack they may want/need. Please do not send any peanut type snack.
