

# Become Part of History

**The Carla E. Fisher Memorial Garden** was established in 2010 in memory of Carla, an incredibly kind woman who was a friend to HHS, and to those staff and volunteers lucky enough to work with her. She was our Obedience Instructor and Volunteer Trainer, and had the most giving heart. The garden in her name is a reflective area located in front of the new Tuthill Family Pet Rescue & Resource Center (operated by Hinsdale Humane Society). This serene location serves as a space for our pets and volunteers to unwind after a walk, get exercise or just enjoy time outside of the kennels.

Personalized bricks filled with loving words in tribute of pets and people make the memorial garden truly special and inspirational. We invite you to purchase one of the custom, engraved patio bricks that will be added to the Carla E. Fisher Memorial Garden. Your tribute will become a permanent part of history here.

Now is your chance to support Hinsdale Humane Society with a donation that will last a lifetime. Brick purchases will benefit our work and will symbolize your commitment and love for animals. Two sizes are available: a 4" x 8" brick for \$150 and an 8" x 8" brick for \$250, which includes engraving. Bricks can be inscribed in honor or in memory of an animal or an animal lover, a donor's name, family name, or business name. (Please see other side for engraving information.) You may also add our paw and heart icon to your brick.
