

PET WALK 2012

Hinsdale Humane Society

Pet Walk 2012, hosted by the Hinsdale Human Society on June 3, proved to be a record-breaking event for the beloved organization. More than 400 walkers—up 100 from 2011—began their strides at Katherine Legge Memorial Park on the flawless Sunday afternoon. Pet Walk proved fun for the entire family, especially the four-legged members. There was a vendor tent, pet mall, food, and demonstrations. More than \$55,000 was raised, which will assist to feed and care for animals in need of loving homes, provide medical services to sick and injured animals, rescue animals in need, and provide humane education to enrich the lives of individuals and animals alike.
