

## Not so stupid pet tricks

**Lily, a 2-year-old yellow lab,** brought Ingrid and Sara Ellithorpe to the Hinsdale Humane Society's 23rd annual pet walk Sunday morning. The three were watching the disc catching event. Held at KLM, with the weather fully cooperating, the event had a record turn-out for the Hinsdale Humane Society. With a pet mall, contests and demonstrations to enjoy, pets and their owners had a great day. (Jim Slonoff photo)
